DESERT SOUNDS IS GOING GREEN

In order to save on paper and reduce mailing errors, DESERT SOUNDS invites you to join us. There are 3 ways to make this happen :

- 1) Go to our website: www.desertsounds.net and click the register button at the bottom of the home page.
- 2) Send us an email at hear4u@desertsounds.net and update us with any current changes to your information. You will receive a follow up email which will ask you to

confirm that you would like to receive our emails.

- 3) Call the office and provide us your email address or fill out a form at your next office visit.

By signing up for our e-newsletters you will receive important information regarding updated current events that pertain to hearing advocacy, pertinent information about our office and any new services we may provide you, and information regarding any upcoming manufacturer open houses.

You will also be asked to participate in surveys that will help us improve our services so that we may serve you better.

DESERT SOUNDS Has New Financing Options Available

DESERT SOUNDS offers Care Credit to help finance hearing aids. Care Credit, and most banks, only offer financing to patients whose credit score is 720 or better. With today's economic climate, we know there are

many people who may have suffered a financial hardship.

We, at DESERT SOUNDS Audiology, know how important maintaining employment and having a better quality of life through better hearing is; therefore, we

have agreed to help you finance your hearing aids through Omni Med Financial Services. Please call today to see if you qualify for their finance plan or determine what other options are available.

DESERT SOUNDS Welcomes Two New Staff Members

**Kristen M. Clark,
Senior Audiologist**

Dr. Kristen Clark has 20 years of experience in a variety of settings ranging from hospitals, ENT practices to private practice. Kristen’s clinical experience in audiology spans everything from diagnostic testing of adults and children to dispensing a multitude of makes and models of hearing aids to all ages. Kristen has a great deal of experience with balance testing and rehabilitation. She has her Bachelors of Science degree in Speech Pathology and Audiology and her Masters of Science degree in Audiology from the University of Wyoming. Kristen has a Doctorate of Audiology Degree from Salus University in Pennsylvania. She truly enjoys all

different facets of Audiology, but finds the most fulfilling part of her work is making a significant impact in her patients’ lives by improving their ability to communicate through better hearing.

Kristen is married to Mark and has two lovely children. They enjoy hiking, reading, traveling, watching movies, and cooking together as a family.

Cindy Manning-Starr joined Desert Sounds Audiology in June 2011 as Director of Marketing and Public Relations in addition to Patient Care Coordinator. Her career background consists of Dental, Healthcare Accounting and Administration as well as

Information Systems Technical Support and Customer Services. She attended Central Arizona College, Arizona State University as well as ARIS Academy. Both her husband and she have lived in 14 states. She is very happy to be working in the Healthcare field once again and loves her new blended career.

On a personal note, Cindy is married to Lyle and has an awesome daughter, Angela as well as her dogs, Jack, Roxie and Izzy. She recently joined East Valley Sertoma and is active in the Senior B2B organization. She also is on the Board of Nizhony Institute of Midwifery in San Diego, CA.
